First come for spaces (sheds are limited and can come and go) Thursday Dec. 1st 10am - 4pm you may "choose shed space or indoor space" by securing a sign on inside of shed door. Or taping a sign to floor.

There are approx. 20 sheds, the event room building (at front of property) and the back "shed", indoor vendors will be limited to approx. 10x10 space.

You will be provided electrical; you must bring your own extension cord. NO ELECTRIC HEATERS! We recommend having your own light as well. (In the past a few vendors had a generator that worked very nice for them to have their own easy access to electrical and heaters.)
